

**25 October 2011**

Bespoke furniture company requires competent draughts person.  
A thorough knowledge of production methods in wood/metal essential.  
The main role will be to take design concepts through to detailed production drawings.  
These drawings will then be relayed to our workshops, architects and sub contractors.

The successful candidate will have:

Excellent problem solving skills  
Ability to work independently.  
Strong communication skills.  
Proven ability to produce concise drawings.

Experience with Solidworks & Vectorworks an advantage.

Salary dependent on experience.  
Permanent position subject to trial period.  
Location SW London.
